Message from Vicar Rev. Jyothish Sam

Dearly beloved in Christ.

Greetings in the name of our Lord and savior Jesus Christ.

We all are the stewards of worship. Christian worship is probably the most fundamental fact of practical Christianity, especially in the matter of community life .A LIVING CHURCH MUST BE A WORSHIPPING CHURCH. Worship is not a readymade tendency but an attitude produced by a combination of various elements in human

nature such as awe, wonder, fear, dependence, trust, and humility. Individually none of these qualities induce worship as such. When they are blended together into a whole, there develops in a person an attitude which we call worship.

There are 3 aims that must be kept in mind

1. Worship must enrich our consciousness of God .If we are not helped to this end ,we would probably have certain vague notions of God.
2. Worship must vitalize our consciousness of Christian social relationships. The closer we get to God the more we love our fellow men. So the outcome of our genuine worship is an enrichment of our social relationship.
3. Worship must bring us into harmony with nature .God express His power through nature –The running brook, the majestic mountain, the lovely sunrise and sunset, the color of each flower. Thus communion with God enables us to see ourselves in relation to our environment

May Almighty God help us to become a true Worshiper.

I am very happy and thank God Almighty for the manifold blessings He had showered up on us throughout our Jubilee year. I remember with great gratitude H.G.Joseph Mar Thoma Metropolitan, Rt .Rev Thomas Mar Timotheos Episcopa, Rt .Rev .Dr.Euyakkim Mar Coorilos Episcopa and our former vicars for the support and guidance in the jubilee year. With gratitude I remember the guidance and support given by late Zacharias Thirumeni to our Parish as diocesan Bishop. Now I take this opportunity to express my sincere thanks to Mr. Abraham K Joseph [General Convener], Golden Jubilee General Committee members, Office-bearers, Kaisthana Samithi members and our parish members for their hard work and efforts behind the success of the Golden jubilee programmes. I here sincerely extend our thanks to Parish members who financially supported the Golden Jubilee Projects and Programmes.

We congratulate our children who have attained good marks in the 10th and 12th exams. Also we offer our prayerful blessings and wishes for their higher studies.

It is a time of vacation. Many of our members are planning to go their native places to see their parents and dear ones. Please make sure that this is the time for sharing our joy and blessings with our family and our society. We must give our unconditional love and care to our parents and siblings because their tears and prayers are the helping factors of our successful life .We wish you all a happy vacation.

With love and prayers, Yours in Christ,

Jyothish sam achen.

Message from Rev. George John

Dearly Beloved in Christ,

Greetings in the name of our lord and saviour Jesus Christ.

I am very glad to write another message in our Immanuel Doothen.

The first quarter of the financial year and half of the year 2017 is gone back. Time and space were gone like a bullet and it will not be waiting for us. The only thing we can do that use the given time and space meaningfully where we work and use the resources which was given by God for the extension of

the kingdom of God and the well-being of the society and the people. We as the family entered in to the new and final year of our ministry in Doha and as the priest of the Mar Thoma Church we got the opportunity to minister abroad and this is the only chance to get a Mar Thoma Priest to serve in the abroad once in his life. Thank god for the grace and mercy we received from Him throughout our journey.

The month of the July is very important for me that on July 9th 2014, I received the Kaseesa ordination at Mar Thoma Church, Thane (Mumbai). When I complete the 13th year of my Kaseesa ordination on this 9th July 2017, I praise God that, the last 13 years God is good for me in the personal life as well as in the family life.

Prayer is very important factor in one's life and it defines one's life and faith towards God. Prayer life is key to good Christian living. It is a method of communication to God and finding the will of God. Through prayer we listen to God what He tells us. It is a thanksgiving and it includes supplication and intercession. Prayer is a spiritual weapon should use to receive strength to defend against the forces of evil. It can be conducted at regular timings and space (Dan: 6:13).As a members of the parish we need to have two types of prayer in our spiritual life.

- **Personal Prayer**

It is the energy and healing for personal dimension of living.

- **Family prayer**

The family prayer is a 'Mini Alter'. The family gathers together to worship God and share from His word. It is the time of orienting the life, aspirations, policies, morale and purpose of family in and through God. Disciplined prayer life will give us vision and hope to the life.

Some of the prayers may be unanswered. This may crash the faith of the believer. We have to remind ourselves that answer to our prayers are grounded in God's graciousness and faithfulness to His promises and not in the petitioner's rights or level of spirituality. The model of prayer is that the Lord's Prayer. It contains greetings, petitions related to things divine, petition related to things human and the praise.

Let us examine ourselves that how our prayer life is going on? Do we have personal and family prayer in our spiritual life? In our busy schedule are we able to separate the space and time for our daily prayer? Do we really communicating with God in our prayers? Can we have Lord's Prayer as a paradigm for our prayer and life? The Prayer is the only answer to all our problems. Anyone who read this, may submit the life in the hands of Jesus Christ through prayer, I sure that God will bless you and He comforts you from all your distress and despair.

May God bless you all.

Happy and safe vacation to you all.

With love and Prayers

Yours in His service

Rev. George John

FAITH AND PRACTICE

a. *Worship in the Church*

It is in and through the faithful and true worship that a Church retains its inner spiritual vitality which, in turn gives expression to service and witness. Liturgy literally means 'Service' that may be rendered to God and people.

The cleansing and the renewal effected by Abraham Malpan, made worship meaningful and provided the spiritual energy for the missionary task of the Church.

The liturgical practices of the Mar Thoma Church basically follow the orthodox pattern. However, we must remember that necessary changes were made in the liturgy in the light of the Word of God and in accordance with the basic principles of reformation. Renewal, cleansing and reformation are continuous processes and always should proceed in the light of new insights gained from the Word of God.

Why do we turn towards the east in Worship ? God is metaphorically described as the sun of righteousness (Mal 4:2). Secondly Eden, the garden of God's presence, is believed to be in the east(Gen 2:8). In the Madbaha we have a table that serves as an altar, which is called the thronos of God. If the table is made of stone, a portable plank specially consecrated is placed on the table. The holy elements are placed on it. This is a reminder that in the Qurbana we are not repeating the bloody sacrifice, on the other hand Qurbana is a sacrifice without blood. We are attending the table of the Lord through which the Lord gives Himself to his people and all have thus the living communion with Him.

We worship in a standing posture because we believe that the Lord is present in this service and as an oriental mark of respect we adore him standing.

Following the pattern of the temple in Jerusalem, Madbaha is regarded as the abode of divine presence and is treated with respect. It is set apart specially for celebrating the liturgy. The Madbaha serves the purpose of a vestry and for practical purpose it has to be separated from the Haikala.

b. *Light in Worship*

In worship we use the candles. This is in continuation of an ancient practice. The ancient churches still continue that practice reminding the worshippers, the hardships and persecutions our forefathers had to endure for the faith, and calling us to shine like light of God and reminds us that we too are called to be the light of the world (Ex.40:24, Mt 5:14).

c. *Incense*

Incense was used in ancient days to pay homage and respect. The smoke that comes out of the incense is a symbol of the divine presence. The cloud and the incense stand for the invisible presence of the Lord(Ex.34:5, 40:34-38).

d. *Order of Worship(Taksa)*

The Mar Thoma Church uses a set of order of worship for its public worship and sacraments. The order used for the Qurbana, the Taksa according to St.James, is believed to be one of the oldest orders for worship in the Christian Church. It gives us a sense of oneness with all believers in the past and the present. Today, we work out new forms of liturgy for different occasions which express the hope and aspirations of the present day Church. The Prayers and Praises, confession and thanksgivings help the worshippers to have a genuine experience of the worship of God.
