Message from Jyothish Sam Achen

Dear Beloved Members,

Glory be to God

Greetings in the name of our Lord Almighty and Saviour Jesus Christ.

By the Grace of our Almighty God I took the Charge as Vicar of this Parish from May 2016 onwards. I am considering this as a great opportunity as well as God's mission to me. So I would like to humbly uphold me as a useful instrument in His Mighty hands.

Church always considered as the called out Community. So we are called out as an alternative community in His vineyard. Parish members are the flock of our Good shepherd. So we should keep His will instead of our self-interest and this will leads to the spiritual betterment of our Church.

By the compassion of our God we were able to celebrate our 49th Parish Day and to do the inauguration of our Golden Jubilee Celebration by our Diocesan Bishop Timotheos Thirumeni. Let us together thank God for his abundant love and mercy towards us for the last 49 years and this is the time for us to express our gratitude to Metropolitan, Diocesan Bishop, Bishops , Former Vicars and Lay Leaders. We have to thankfully remember the spiritual guidance and supports given to our Church by Late Beloved Zacharias Thirumeni for the last decade.

As we entered the Golden Jubilee Year of our Church let us share the blessed gifts of God as mentioned in Lev : 25 "It is the Celebration of Freedom and Sabath".

- 1). The upward look of Thanks giving*
- 2). The backward look of Remembrance*
- 3). The Inward look of Self decision*
- 4). The outward look of Caring*

Let's with Prayers put our hands together for the successful implementation of all our planned Projects and Programme of Golden Jubilee.

With love and prayers,

Rev. Jyothish Sam

Message from Rev. George John

Dearly Beloved in Christ,

Greetings in the name of our Lord and saviour Jesus Christ.

I am very glad to write yet another message through Immanuel Doothen. In May 2016, we completed one year in the ministry of Doha Immanuel Mar Thoma Church, as an Asst.Vicar. The Last one year we had experienced abundance of God's grace and mercy in our parish ministry. As a family we had received manifold blessings and God's providence. I also remember with gratitude that the prayers which rendered by the parishioners during this year. More over I completed 12 years in the ministry of the church, as a deacon in June 2016. I am praising and thanking for the Holy Spirit who enable me to do the ministry throughout these years in different places with meaningfully and fruitfully.

Here I am remembering the ministry of our former vicar Rev. P.S.Yesudasan and his family. Wish him all success in his future ministry. 1st May 2016 onwards our new vicar Rev. Jyothish Sam and family joined with us and I wish him and his family a gracefull success in the ministry of the parish.

According to Old Testament scholar, Walter Bruggemann land is a gift of God. Last 49 years we as a community lived and worshiped the Almighty Lord in this foreign land and this year we are entering in to the Golden Jubilee of our parish, yet another era of Doha Immanuel Mar Thoma Church. Our Diocesan Bishop Rt. Rev. Thomas Mar Timotheos episcopa graciously inaugurated the Jubilee projects and the programmes. Here I am remembering the laity those who done their initial hard work for the formation of the worshipping community in this land and at the same time remembering that those who labored for the development of the parish in the midst of trials and tribulations. I thank God for the leadership of the clergies and the life of the people those who worked hard for the last 49 years of the history of the parish.

The well-known writer Khalil Gibran, one of his books titled 'The Prophet' giving the answer about the question regarding 'What is religion and religiosity'? Religion is our response to the 'transcendent' (God) that we are confronting at each and every moment in our life world. We can feel the 'transcendent' (God) in every day and every moment activities. In Gibran's words, "God is playing with the children, walking in the cloud outstretching the arms in the lightning and descending in rain, smiling in flowers, and rising and waving hands in trees". Feeling the 'transcendent' (God) at the very subtle experience of life and responding to it meaningfully is what is meant by religion.

Isaiah chapter 1 is a strong critique on the pseudo religiosity of the people in Judah and Jerusalem. God of life always challenges the falls religiosity of God's people. The text narrates not only the Judgment but also hope and restoration.

As a Christian religion as well as the Marthomite community in a foreign land, last 49 years we experienced the feeling of this 'transcendent' (God) through our Tradition, Worship, Sacraments, Sermons, Prayer meetings, Organizations, Relationship, Different kinds of programmes, fellowship with our sister churches. When we leap in to this 50th year (Golden Jubilee) it is a time for praise and thanksgiving and at the same time we need to have a re - definition and re - dedication in our parish life. For this purpose we need to have the unity among the parishioners to fulfill all our projects and programmes with the power of Holy Spirit. Then only we can look back and say;

*"Bless the Lord O my soul, and all that is within me, bless his holy name
Bless the Lord, O my soul, and do not forget all his benefits" (Ps: 103:1, 2)
All the best wishes for the Jubilee programmes and the projects.*

I wish safe journey and happy holidays for the members who are going for vacation.

May God bless you all.

With love and prayers

Yours in His Service

Rev. George John
