MESSAGE FROM VICAR

Dearly beloved in Christ,

Wishing all of you a blessed and prosperous New Year in the most wonderful name of our saviour Jesus Christ.

As we are entering a New Year, this is the time to look back over the past year to see wonderfully God had been guiding us and to thank our Lord Jesus Christ for the blessings showered up on us. Almighty God can guide us in everyday living but three conditions determines His guidance. a) Acknowledge Him. b) Trust Him. c) Don't depend on yourself.

In this New Year let us pray, Our loving God,

Thank you that you make all things new. Thank you for all that you've allowed into our lives this past year, the good along with the hard things, which have reminded us how much we need you and rely on your presence lling us every single day.

We pray for your Spirit to lead us each step of this New Year. We ask that you will guide our decisions and turn our hearts to deeply desire you above all else. We ask that you will open doors needing to be opened and close the ones needing to be shut tight. We ask that you would help us release our grip on the things to which you've said "no," "not yet," or "wait." We ask for help to pursue you rst, above every dream and desire you've put within our hearts.

We ask for your wisdom, for your strength and power to be constantly present within us. We pray you would make us strong and courageous for the road ahead. Give us ability beyond what we feel able, let your gifts ow freely through us, so that you would be honoured by our lives, and others would be drawn to you.

We pray that you'd keep us far from the snares and traps of temptations. That you would whisper in our ear when we need to run, and whisper in our heart when we need to stand our ground. We pray for your protection over our families and friends.

We ask for your hand to cover us and keep us distanced from the evil intent of the enemy; that you would be a barrier to surround us, that we'd be safe in your hands. We pray that you would give us discernment and insight beyond our years, to understand your will, hear your voice, and know your ways.

Keep your words of truth planted rm within us, help us to keep focused on what is pure and right, give us the power to be obedient to your word. And when the enemy reminds us where we have been, hissing his lies and attacks our way, we trust that your voice speaks louder and stronger, as you remind us we are safe with you and your purposes and plans will not fail. We ask that you will be our defence and rear guard, keeping our way clear, removing the obstacles, and covering the pitfalls. Lord, lead us on your level ground. We ask that you would provide for our needs, we ask for your grace and favour. We pray for your blessings to cover us, we pray that you would help us to prosper and make every plan that you have birthed in our heart to succeed. We pray that others would take notice of your goodness and could not help but to say, "These are the ones that the Lord has blessed."

May we be lovers of truth, may the fruits of your spirit be evident in our lives - your love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

To you be glory and honour, in this New Year, and forever. In Jesus' name,
Amen.

With love and Prayers,
Jyothish Sam Achen

Message from
Rev. Skariah Thomas

Dearly Beloved in Christ,
Greetings to all in the name of our Lord and saviour Jesus Christ.
Wishing you all a merry blessed and happy new year 2019.

As we are entering a new year this is the time to look back over the past year to see how wonderfully God had been guiding us and to thank our Lord Jesus Christ for the blessings showered upon us. New year is the start of a new life with forgetting about last years failures and disappointments. The look of proverbs says that "Trust in the lord with all your heart and lean not on your understanding; in all your ways submit to him and he will make your paths straight.

By God's grace our Christmas celebration went on well with the honourable presence of Thomas Mar Theethos Thirumeni. Let us thank God for giving us one more chance to remember the birth of "Immanuel" in our life. As we are entering the last quarter of this nancial year let us thank God Almighty for his abundance mercies showered upon us all throughout the year.

Jesus Christ Said "... Let your light shine before others so that they may see your good works and give glory to your Father in heaven." Every individual must as himself / herself is he/she is able to shed light in the place her or she passes through. We shall be able to give the light of hope to those who are in the dark shadow of despair, by our presence, so face and all possible help.

We cannot dispel the darkness in all places. But can't we shed light at least around where we are? A small lamp made out of mud looked at the setting sun and said. "I shall shed what light at least around where we are? A small lamp made out mud looked at the setting sun and said "I shall shed what light I can". There is

not use cursing our blaming darkness. We can give at least a candle light. Let us be able to spread the light

of peace and love where enmity and hatred reign. "Ind the pitch darkness of a night even a small lamp sheds light".

Faith makes all things possible

Hope makes all things work

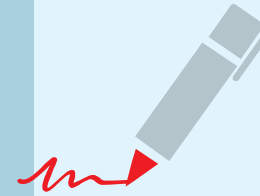

Love makes all things beautiful

May you have all the three for this New Year May God bless us all.

Yours in Christ's Service Rev.

Skariah Thomas.

Happy New Year We often think that we have not received great blessings, but if we meditate in our hearts we will realize how greatly blessed we are. Have a successful year in Jesus Christ. Few blessings are material but the most significant ones are our family and good friends who invite us to do well. Congratulations on the coming year. Fight to accomplish all of your dreams and remember that if you ask God He will grant them to you as long as they are good and fair. May success be present in the coming year for all of us. The world is full of evil but still there are many people who want to do good deeds. Thank you for making a difference in this world. May you have a very happy new year.
